

Math Club

sponsored by Sangster PTA

Do you like solving puzzles or
learning cool shortcuts? Are you
in 6th grade?

Join Math Club! Starting on October 4th, we will meet in person every Wednesday after school from 4:00 to 5:00pm in Pod C. All 6th graders are welcome!

We will go over many of the topics covered in Algebra 1, as well as some geometry and cool math tricks to prepare us for competitions in February!

Register at <https://forms.gle/SP2n5FYpDxweZW9dA>
and email wheutt@gmail.com with questions!
This is a PTA sponsored activity.
